

## **8 Permanent, Full-Time Family Physician/GP Opportunities**

Gama Integrated Health Centre is scheduled to open only minutes from downtown Saskatoon in Warman, SK in the autumn of 2008. GAMA Integrated Health Centre is a privately owned, state of the art medical facility offering fully integrated general medical and minor emergency services. There are eight permanent, full-time physician posts to be filled.

The Town of Warman is 15km North of Saskatoon and has an existing population of 5000 which is expected to double by 2012, offering unlimited opportunities to build a lucrative practice. Statistics Canada has identified Warman as the fastest growing community in Saskatchewan with a 36% increase in population between 2002-07.

Recruitment incentives are available to qualified applicants. All inquiries will be held in the strictest confidence.

Interested candidates who are **eligible for licensure from the College of Physicians and Surgeons of Saskatchewan** should forward their **CV, three professional letters of reference and copies of any relevant supporting documentation** (e.g. work permit) to: [warmanclinic@sasktel.net](mailto:warmanclinic@sasktel.net)

Though all applications are welcomed, preference will be given to candidates who are Canadian Citizens or Permanent Residents.

### **Offer to Canadian physician interested in the position:**

- 50% co-pay of student loans up to a max of \$50, 000
- 65/35 split for variable costs
- Fixed cost rate to be negotiated
- \$2000 base salary for 6 months
- Free housing in Saskatoon for 6 months
- Benefits

All of the above are negotiable as well as any other terms and conditions.
